

## Programme EU-Korea Workshop

**08 – 09 September 2018**

**Kursaal Congress Centre, San Sebastian, Spain**

**Room 10A**

### Scope

The 4th EU-Korea Workshop on Graphene and Related Materials will be held on 8-9 September 2018 in San Sebastian, Spain immediately before the Graphene Week 2018 conference.

The workshop aim is to be a Forum for the exchange of experiences, practices and ideas related to the current and emerging topics associated with the basic chemistry approach, materials synthesis, application development and commercialization for graphene and related 2D materials. In addition, the objective is to explore further possibilities for collaborative research opportunities between researchers in Europe and Korea.

**Workshop chairs:** Prof. Jari Kinaret (Sweden) and Prof. Sung-Yool Choi (Republic of Korea)

**Program chairs:** Prof. Paolo Samorì (France), Prof. Xinliang Feng (Germany), Prof. Sang Ouk Kim (Republic of Korea) and Prof. Hyon Suk Shin (Republic of Korea)
