Welcome to Graphene Week 2017

As Conference Chairman, it is my great pleasure to invite you to exhibit at the [Graphene Week 2017](#), held in Athens, Greece on 25-29 September, 2017.

The Graphene Week is an annual event, globally recognized as the leading conference devoted to the topic of graphene, attracting 500-800 leading international researchers. It is commissioned by the Graphene Flagship, a 10-year initiative launched in October 2013 and funded by the European Commission. The [Graphene Week 2017](#) in Athens is hosted by the Institute of Chemical Engineering Sciences of the Foundation for Research and Technology ([FORTH/ICE-HT](#)).

The Graphene Week's focus is on science, technology and emerging applications of graphene, related 2D materials and heterostructures. The scientific programme of the Graphene Week 2017 will address 13 topics on graphene and related materials. [Explore the Scientific Programme](#).

Take this opportunity to participate by showcasing your company products and/or services to key scientists from all over the world. We hope that you will join us at the conference and are looking forward to meeting you in Athens.

Should you wish to express your interest in sponsoring at this prestigious event or for more information, please contact us at graphene@erasmus.gr before **20 July**.

We hope that you will join us at the conference and are looking forward to meeting you in Athens.
